Call for Papers – 2nd International Conference on Digital Sovereignty (ICDS – 2025)
26-28 November 2024, Oslo, Norway.
Publisher: Elsevier Journal Procedia Computer Science
(Open Access and Level 1 in Norwegian Register for Scientific Journals)

We are excited to invite you to ICDS 2025, taking place in Oslo, Norway, from **October 29–31, 2025**. Founded by the Institute for Energy Technology (IFE), ICDS has quickly become a leading platform for global experts to explore the shifting landscape of digital sovereignty. As nations and organizations confront rising challenges around digital infrastructure, strategic autonomy, and data governance, the need for resilient and ethical frameworks has never been more urgent. Building on the success of ICDS 2024, this year's conference will feature a dedicated Industry Day, bringing together top leaders from across sectors, alongside renowned researchers and policymakers from around the world. The accepted papers will be published in Elsevier Journal Procedia Computer Science (Pending Approval), which is indexed in Scopus, Web of Science, Norwegian Register for Scientific Journals(Level 1) and in many international indexing.
