

*Appendix A***LIST OF THE PARTIES**

Norway – IFE (Institutt for energiteknikk)
Canada – CNSC (Canadian Nuclear Safety Commission)
Canada – COG (CANDU Owners Group)
Canada – AtkinsRéalis
China – SNERDI (Shanghai Nuclear Engineering Research and Design Institute Co., Ltd.)
Czech Republic – ÚJV Řež, a. s. (Nuclear Research Institute of the Czech Republic)
Germany – GRS (Gesellschaft für Anlagen- und Reaktorsicherheit gGmbH)
Germany – Framatome GmbH
Japan – NRA (Nuclear Regulation Authority)
Japan – CRIEPI (Central Research Institute of Electric Power Industry)
Korea – KAERI (Korea Atomic Energy Research Institute)
Netherlands – NRG (Foundation Nuclear Research and Consultancy Group)
Sweden – SSM (Swedish Radiation Safety Authority)
Sweden – FKA (Forsmarks Kraftgrupp AB)
Sweden – OKG (OKG Aktiebolag)
Sweden – RAB (Ringhals AB)
United Arab Emirates – FANR (Federal Authority for Nuclear Regulation)
United Kingdom – UKNNL (United Kingdom National Nuclear Laboratory)
United States of America – DoE (U.S. Department of Energy)
United States of America – NRC (U.S. Nuclear Regulatory Commission)
United States of America – EPRI (Electric Power Research Institute)

*Appendix E***LIST OF APPROVED THIRD PARTIES**

Canada – Bruce Power
Canada – Ontario Power Generation
Canada – New Brunswick Power
Canada – CNL (Canadian Nuclear Laboratories)
Canada - The University Network of Excellence in Nuclear Engineering (UNENE) and its University Members in Canada
China – SPIC (State Power Investment Corporation Limited)
Czech Republic - ČEZ, a.s.,
Germany – German public bodies who require access to Project Results and/or Confidential Information for peaceful purposes
Japan – Hokkaido Electric Power Co., Inc.
Japan – Tohoku Electric Power Co., Inc.
Japan – Tokyo Electric Power Company Holdings, Inc.
Japan – Hokuriku Electric Power Company
Japan – Chubu Electric Power Co., Inc.
Japan – The Kansai Electric Power Company, Inc.
Japan – The Chugoku Electric Power Co., Inc.
Japan – Shikoku Electric Power Co., Inc.
Japan – Kyushu Electric Power Co., Inc.
Japan – The Japan Atomic Power Company
Japan – Electric Power Development Co., Ltd.
Japan – Hitachi-GE Nuclear Energy, Ltd.
Japan – Toshiba Energy Systems & Solutions Corporation
Japan – Japan Nuclear Fuel Limited
Japan – Mitsubishi Heavy Industries, Ltd.
Korea – KINS (Korea Institute of Nuclear Safety)
Netherlands – ANVS (The Authority for Nuclear Safety and Radiation Protection)
Norway – Equinor
Norway – Kongsberg Maritime
Norway - NTNU (Norwegian University of Science and Technology)*
Norway - HIOF (Østfold University College)*
Norway - NND (Norwegian Nuclear Decommissioning)*
Norway – Statkraft*
Norway – Statnett*
Norway – Norsk Kjernekraft*
Norway – University of Agder*
Sweden – KSU (Nuclear Training and Safety Centre)
Sweden – Vattenfall AB
United Arab Emirates – Khalifa University
United Arab Emirates – ENEC (Emirates Nuclear Energy Corporation)
United Kingdom – ONR (Office for Nuclear Regulation)
United Kingdom – EDF (Energy) PLC
United Kingdom – Frazer-Nash Consultancy (Nuclear)
United Kingdom – Jacobs
United Kingdom – Rolls-Royce PLC

United Kingdom – Rolls-Royce SMR Ltd
United Kingdom – Sellafield Ltd
United Kingdom – UKAEA
United Kingdom – UKIFS (UK Industrial Fusion Solutions Limited)
United States of America – Members of EPRI in USA
United States of America – US DOE National Laboratory Management and Operating Contractors

\* The final agreement with the Norwegian Approved Third Parties will be settled later.
