

International Conference
on Digital Sovereignty

IFE

**Dedicated Conference on *Digital Sovereignty in Norway*:
Mark your calendars!**

2nd International Conference on Digital Sovereignty – ICDS 2025 @ Science Park Oslo , 29th – 31st October 2025

Day 1 (October 29, 2025) features top industry leaders like **Bernard Benhamou (Secretary General, Institute of Digital Sovereignty)**, **Chandra Challagonda (CEO, FIWARE)**, and other industry practitioners in data spaces, digital autonomy/trust, privacy, and security from prominent companies across Norway and Europe.

Bernard Benhamou (Secretary General,
Institute of Digital Sovereignty), Paris,
France.

Chandra Challagonda (Chief
Executive Officer, FIWARE
Foundation), Switzerland.

Daniel Melin (Business developer,
Safespring / EuroStack), Sweden

Day 2 (October 30, 2025) is dedicated to **groundbreaking research on Digital Sovereignty**, with scientists from around the world presenting their latest findings, to be published in Elsevier's Procedia Computer Science.

Day 3 (October 31, 2025) is dedicated to presentations (half-day) and exploring beautiful Oslo (afternoon) with an expert tour guide.
